

RILEY RIGGS

HELLO,

I am **Riley Riggs**, a multi-disciplinary designer from Nebraska. I specialize in creating **high-quality design solutions** that help bring your ideas to life. My passion for design was sparked at an early age, and I have been working in the field ever since. I have worked with clients in a variety of industries, from start-ups to well-established businesses.

My goal is to create designs that help your business grow and stand out from the competition. I strive to create **powerful visual solutions** that truly **make an impact**.

As a designer, I enjoy grungy, heavy textures and bold type. As a human, I enjoy running, riding my motorcycle, and playing video games. My current favorite song is **"Good Lord" by Lecrae**.

As a logo and wrap designer, I not only implemented existed logos and brand identities into stunning vehicle and billboard advertisements, but also built small brands from the ground up.

Graphic Designer
Concordia University
Seward, NE
2023-Present

As a graphic designer for the marketing department, I created and designed scores of marketing materials for the university. Some projects allowed open-ended creativity, but most included strict adherence to style guides and brand guidelines.

EDUCATION

Bachelors of the Arts
Graphic Design
Concordia University 2023
COMING THIS DECEMBER

As a student at Concordia University, I have completed **dozens upon dozens** of client projects, and even more student projects. Between the brand-new design curriculum and wayyyyyy too much YouTube in my spare time, there's not much I don't know how to do.
